PROGRAMS

ATTENDANCE

During FY2022-23, the percentage of total costs for the Library Data and Statistics Program financed with federal money is 66%; the federal dollar amount to be spent on the program is \$155,485. This program does not receive any non-governmental funding.

Many of these resources and programs are funded under the provisions of the Library Services and Technology Act from the Institute of Museum and Library Services. Florida's LSTA program is administered by the Department of State's Division of Library and Information Services.
