### MEMORANDUM

TO: Supervisors of Elections

FROM: Maria I. Matthews   
Director, Division of Elections

DATE: June 2, 2023

SUBJECT: Voting System Certification # 230602-ES&S

The Division of Elections has examined Election Systems and Software, LLC's "EVS, [REDACTED] [REDACTED]" voting system in accordance with Section 101.5605 (3)(b), Fla. Stat., and offered its notice of certification as #230602-ES&S.

This release is a complete revision of earlier versions of EVS. Highlights of new or modified components and functionality include:

- NEW [REDACTED] precinct tabulator
- NEW [REDACTED] central high-speed scanner
- Incorporating [REDACTED] module into the election management system (EMS) for coding accessible ballots
- Audit mark imprinting on scanned ballots
- Ballot image review and electronic adjudication
- Operating systems updates
- Incorporating the election reporting module into the EMS
- Incorporating the voter's selected language on the [REDACTED] vote summary card
- Enhanced batch management functionality on the central count scanners
- Results modeming supported through [REDACTED] configuration, a [REDACTED] private network

Under this certification, all counties and municipalities in Florida may purchase or use this system. A copy of the certificate is enclosed for your records.
