**Note:** The requisite number of signatures for qualifying by petition method for specified offices in a year of apportionment such as 2022 is different than other years. See s. 99.09651, F.S., for formula for candidates for U.S. House of Representatives, State Senate, and State House of Representatives. Petition signatures for these offices may be obtained from any registered voter in Florida regardless of party affiliation or district boundaries. See s. 99.095(1)(d), F.S., for formula for candidates for county and district offices. The requisite number of signatures for these offices may be obtained from any registered voter in the respective county, regardless of district boundaries.
