Dear Mr. Finney:

As you know, you obtained interim approval last year for Democracy Live, Inc.'s LiveBallot™, Version 1.9.1., for Florida counties using the GEMS or Unity systems. Also, there was an expanded approval for the Democracy Suite, WinEDS, and EVS. The approval was only valid through the end of the calendar year 2014.

Your recent request for an extension for the same version upon which is approved. This interim approval is based on the same terms as set forth in the July 2, 2014 letter, and will expire after September 30, 2015.

As noted previously, no submissions for future versions of the LiveBallot™ will be approved if the user is able to edit the official election ballot from within LiveBallot.

If you have any questions, please feel free to contact Stacey Small at (850) 245-6268.

Respectfully,

Maria I. Matthews, Esq.
