### MEMORANDUM

TO: Supervisors of Elections

FROM: Maria I. Matthews, Esq.  
Director, Division of Elections

DATE: April 10, 2014

SUBJECT: Voting System Certification #140410-ES&S

---

The Division of Elections has assessed "ES&S Unity 4.0.0.3, Version 4" in accordance with Section 101.5605 (3)(b), F.S., and offered its notice of certification as #140410-ES&S.

There were no software changes associated with this revision. The update is being issued because ES&S requested that the Bureau of Voting Systems Certification (BVSC) examine, and if found to be satisfactory, approve DS200 modified firmware version 1.5.5.0 and hardware version 1.3.

Under this certification, all counties and municipalities in Florida may purchase or use this system. A copy of the certificate is enclosed for your records.
