### MEMORANDUM

TO: Supervisors of Elections

FROM: Dr. Gisela Salas  
Director, Division of Elections

DATE: August 15, 2011

SUBJECT: Voting System Certification #110815-ES&S

---

Elections Systems and Software, Inc. has completed qualification for "ES&S Voting System, Unity Release 4.0.0.3, Version 3." The Division of Elections has approved this voting system in accordance with Section 101.5605 (3)(b), F.S., and offers its notice of certification as #110815-ES&S.

This release is a modification to the certified Unity Release 4.0.0.3, Version 2 (Revised) suite. The software modules were unchanged from the previous system. The Digital Scan 200 [DS200] firmware version (from 1.5.2.0 to 1.5.3.0) was the only update made to the suite. The firmware was modified to remove a sys.log file that had previously been added as a developer's diagnostic tool.

Under this certification, all counties and municipalities in Florida may purchase or use this system. We have attached a copy of the certificate for your records.
