Chapter 1: Background

The information contained in this publication is intended as a quick reference guide only. To the extent that this Handbook covers material beyond that contained in law or rule, the Division of Elections offers such material to candidates merely as guidelines. This publication is not a substitute for the Florida Election Code or applicable constitutional and rule provisions, the text of which controls. Chapters 97-106, Florida Statutes, the Constitution of the State of Florida and Division of Elections opinions and rules should be reviewed in their entirety for complete information regarding qualifying.

This handbook explains the qualifying procedures for candidates who qualify with the Division of Elections (Division) as party candidates, no party affiliation candidates, nonpartisan candidates or write-in candidates. It gives the qualifications for each office, with both the regular and petition methods of qualifying, along with write-in procedures for each office that qualifies with the Division.

Forms and publications are available on the Division’s website at:

http://dos.myflorida.com/elections/

Please direct any questions to the Division at 850.245.6280.

Pay the Qualifying Fee

Please refer to the qualifying requirements of each individual office sought for information related to specific qualifying fees. A candidate paying the qualifying fee must still satisfy other applicable requirements for qualifying.

Petition Method

A candidate may follow the petition process in lieu of the qualifying fee and party assessment. A candidate satisfying the petition requirements is not required to pay the qualifying fee and party assessment, if applicable; however, the candidate must still satisfy other applicable requirements for qualifying. Please refer to the current Candidate Petition Handbook for more information about the candidate petition process:

Write-In Candidate

A write-in candidate is not required to pay a fee or collect petitions; however, the candidate must still satisfy other applicable requirements for qualifying. The candidate’s name will not be listed on the ballot. A space will be available on the ballot where voters can write in the candidate’s name.
Chapter 4: Things to Remember

Where to File

It is a candidate’s responsibility to ensure qualifying papers are timely received by the Division and they are complete. All qualifying fees and paperwork must be received and complete by the close of the qualifying period for a candidate to be qualified. The Division’s physical location and mailing address is:

Division of Elections
R. A. Gray Building, Room 316
500 South Bronough Street
Tallahassee, Florida 32399-0250

Forms

Although not required for qualifying, each candidate must file a Statement of Candidate (DS-DE 84) with the Division within 10 days after filing the Appointment of Campaign Treasurer and Designation of Campaign Depository (DS-DE 9). Judicial candidates must also file a Statement of Candidate for Judicial Office (DS-DE 83). Willful failure to file these forms is a violation of Chapter 106, Florida Statutes.

Any candidate oath, Financial Disclosure Form, or qualifying check filed with the Division earlier than 14 days prior to the beginning of the qualifying period is not valid for qualifying. If filed previously, originals of these documents must again be filed with the Division before the close of qualifying.

Current forms are available on the Division’s website at:

http://dos.myflorida.com/elections/forms-publications/forms/

Do not use old forms because required information may have changed.

The Candidate Oath and Financial Disclosure forms require notarization. Review these documents carefully to ensure that they have been properly notarized.

Type or print your name the way you wish it to appear on the ballot under “Oath of Candidate” on the Candidate Oath form. A candidate’s name as it is to appear on the ballot may not be changed after the end of qualifying.

Candidates may submit qualifying papers by hand-delivery or mail. The Division does not accept qualifying papers via facsimile. All documents must have original signatures.

Attention: Time is of the essence in qualifying as a candidate. In order to be deemed timely filed with the Division of Elections, qualifying items must actually be received at the Division’s physical location as specified above by the close of the qualifying period. The U.S. Postal Service does not deliver mail directly to the Division of Elections. The U.S. Postal Service’s designated hours for mail pick-up do not correspond to the qualifying deadline. To ensure that the qualifying items are timely submitted, a candidate or someone on his or her behalf should hand-deliver directly to the Division or use a commercial express
courier delivery service that delivers directly to the Division.

(Rule 15-2.0001(3), F.A.C.)

Qualifying Fee

The qualifying fees must be:

• On a properly executed check (not a cashier’s check);

• Made payable to the Department of State, Secretary of State, or Division of Elections;

• Drawn upon the campaign account; and

• In an amount not less than the fee required.

The check must be signed by the treasurer or a deputy treasurer. (A check signed by a candidate who has not been designated as the treasurer or deputy treasurer is not acceptable.)

Personal checks, cashier’s checks, cash, and money orders are not acceptable for qualifying.

The qualifying fee cannot be returned to a candidate unless the candidate withdraws, in writing, before the close of qualifying. The withdrawal statement must contain the candidate’s signature. A fax withdrawal is acceptable (fax: 850-245-6260).

If a judicial candidate’s check is returned by the bank for any reason, the filing officer shall immediately notify the candidate and the candidate shall, the end of qualifying notwithstanding, have 48 hours from the time such notification is received, excluding Saturdays, Sundays, and legal holidays, to pay the fee with a cashier’s check purchased from funds of the campaign account. Failure to pay the fee as provided in this subparagraph shall disqualify the candidate.

(Section 105.031(5)(a)1, Fla. Stat.)

Missing or Incomplete Information

If the filing officer receives qualifying papers that do not include all items as required prior to the last day of qualifying, the filing officer shall make a reasonable effort to notify the candidate of the missing or incomplete items and shall inform the candidate that all required items must be received by the close of qualifying.

(Sections 99.061(7)(b) and 105.031(5)(b), Fla. Stat.)

105.035 Petition process of qualifying for certain judicial offices and the office of school board member.—

(1) A person seeking to qualify for election to the office of circuit judge or county court judge or the office of school board member may qualify for election to such office by means of the petitioning process prescribed in this section. A person qualifying by this petition process is not required to pay the qualifying fee required by this chapter.

(2) The petition format shall be prescribed by the Division of Elections and shall be used by the candidate to reproduce petitions for circulation. If the candidate is running for an office that will be grouped on the ballot with two or more similar offices to be filled at the same election, the candidate’s petition must indicate, prior to the obtaining of registered electors’ signatures, for which group or district office the candidate is running.

(3) Each candidate for election to a judicial office or the office of school board member shall obtain the signature of a number of qualified electors equal to at least 1 percent of the total number of registered electors of the district, circuit, county, or other geographic entity represented by the office sought as shown by the compilation by the Department of State for the last preceding general election. A separate petition shall be circulated for each candidate availing himself or herself of the provisions of this section. Signatures may not be obtained until the candidate has filed the appointment of campaign treasurer and designation of campaign depository pursuant to s. 106.021.

(4)(a) Each candidate seeking to qualify for election to the office of circuit judge or the office of school board member from a multicounty school district pursuant to this section shall file a separate petition from each county from which signatures are sought. Each petition shall be submitted, prior to noon of the 28th day preceding the first day of the qualifying period for the office sought, to the supervisor of elections of the county for which such petition was circulated. Each supervisor of elections to whom a petition is submitted shall check the signatures on the petition to verify their status as electors of that county and of the geographic area represented by the office sought. No later than the 7th day before the first date for qualifying, the supervisor shall certify the number shown as registered electors and submit such certification to the Division of Elections. The division shall determine whether the required number of signatures has been obtained for the name of the candidate to be placed on the ballot and shall notify the candidate. If the required number of signatures has been obtained, the candidate shall, during the time prescribed for qualifying for office, submit a copy of such notice and qualifying papers and oath prescribed in s. 105.031 with the Division of Elections. Upon receipt of the copy of such notice and qualifying papers, the division shall certify the name of the candidate to the appropriate supervisor or supervisors of elections as having qualified for the office sought.

(b) Each candidate seeking to qualify for election to the office of county court judge or the office of school board member from a single county school district pursuant to this section shall submit his or her petition, prior to noon of the 28th day preceding the first day of the qualifying period for the office sought, to the supervisor of elections of the county for which such petition was circulated. The supervisor shall check the signatures on the petition to verify their status as electors of the county and of the geographic area represented by the office sought. No later than the 7th day before the first date for qualifying, the supervisor shall determine whether the required number of signatures has been obtained for the name of the candidate to be placed on the ballot and shall notify the candidate. If the required number of signatures has been obtained, the candidate shall, during the time prescribed for qualifying for office, submit a copy of such notice and file his or her qualifying papers and oath prescribed in s. 105.031 with the qualifying officer. Upon receipt of the copy of such notice and qualifying papers, such candidate shall be entitled to have his or her name printed on the ballot.
