DIVISION OF ELECTIONS

Per our conversations today, you verified you received the updated Auth and I would have to refer to the website for further information. It is what you asked for, by several other people have to check it.

Also, my 35 electoral voters were contacted or their addresses verified. The only ones in question were Bonita, Grace, Ruthie and they were corrected on the actual test. Their city, state + zip were checked for all 29 electors plus the 6 alternatives. Updated list attached

I believe this concludes our business until election day.

Thanks,

Cherunda Fox
