(Waivers are not available for Historical Marker Project types. State agencies, state colleges, and state universities are not eligible for a REDI match waiver, regardless of project location.)

Refer to the program Guidelines for examples of non-allowable expenses (available at FLheritage.com/grants). Expenses may include an actual amount to be paid or the value of an in-kind contribution.

Small Matching grants require a 100% (i.e., 1:1) match unless exempted by the program Guidelines. Applicant Organizations that are Florida Certified Local Government (CLG) or Florida Main Street communities are not required to provide a match. Applicant Organizations applying for projects located in REDI areas are not required to provide a match (exception: Historical Marker Projects and applicants that are agencies of state, state colleges and state universities are not eligible for the REDI match waiver).
