- Hurricane recovery and mitigation efforts
- Support for cultural engagement and education through museum exhibits and archaeological research

The FHC's recommendation to the Secretary of State will not result in any immediate grant award. The award and level of funding for each Special Category project will be subject to specific legislative appropriation.

### **RELEASE OF FUNDS**

**For projects receiving funding from the 2021 Legislature, funds will become available after July 1, 2021, which is the beginning of the 2021-2022 State Fiscal Year.** To receive grant funds, grantees will be required to sign a Grant Award Agreement containing specific administrative responsibilities. Any unexpended balance of grant funds will revert to the state at the end of the 24-month period, on June 30, 2023.

### **ADDITIONAL REQUIREMENTS**

Grantees with Special Category grant projects involving acquisition or development activities will also be required to execute **Restrictive Covenants** that must be recorded with the property deed by the Clerk of Circuit Court in the county where the property is located prior to the release of the grant funds. These covenants require that, in exchange for state grant funds, the grantee will not undertake modifications to the property (other than routine repairs and maintenance) for a period of 10 years, or 20 years in the case of acquisition, without review and approval of plans and specifications by the Division.
