SMALL MATCHING GRANTS PROGRAM

The purpose of the Small Matching Grants Program is to provide funding to assist local, regional and state-wide efforts to preserve significant historic and archaeological resources, and to promote knowledge and appreciation of the history of Florida. The program does not fund operational support for historic preservation organizations.

Project types include: Survey; Planning; Nominations to the National Register of Historic Places; Heritage Education; and state Historical Markers. For questions about project types or the eligibility of a project or work item, please refer to the *Small Matching Grant Guidelines* on FLHeritage.com/grants.

STATEWIDE PRESERVATION PRIORITIES

Though the Division of Historical Resources will accept applications for all eligible types, this cycle's priorities are:

- Projects that prepare Florida's communities and historical resources for coastal resiliency and changes resulting from sea level rise through survey and planning.
- Hurricane recovery and mitigation efforts
- Support for cultural engagement and education

ELIGIBLE APPLICANTS

Eligible Applicant Organizations are either a public entity or an active Florida nonprofit. For questions about eligibility, please refer to the *Small Matching Grant Guidelines*.

AWARD AMOUNT AND MATCH REQUIREMENTS

Maximum award amount: \$50,000 (depending on project type).

Match requirement: 1:1, unless waived as explained below, with a minimum cash match contribution of 25 percent.

Match waiver: Certified Local Governments (CLGs) and Florida Main Street Programs are eligible for match waivers as stipulated in the *Small Matching Grant Guidelines*. A waiver is also available for projects proposed to be located within REDI-qualified counties or communities at the time of application submission, as stipulated in the *Small Matching Grant Guidelines*. State agencies, state colleges, or state universities are not eligible for a waiver regardless of project location.

APPLICATION RESTRICTIONS

An Applicant Organization may submit only one (1) Small Matching Grant Application under a single application deadline for a particular application cycle. State agencies, county or city governments, or universities may submit single applications from more than one division or department under a single application cycle provided that those divisions or departments are separate and distinct budgetary units, and provided that applications do not address the same facility, project, property, or site.

CLG applicants may submit separate applications for federal funding and state funding under a single application submission period. When applying for federal funds a CLG applicant shall apply only for Survey, Planning, or National Register Nomination projects; a separate application to compete for state funds may be submitted for either Education and Publication or state Historical Marker projects. No more than a total of two (2) applications, one for federal funding and one for state funding, may be submitted by a CLG under a single application deadline.

APPLICATION REVIEW AND PROJECT SELECTION

Eligible applications will be evaluated on a competitive basis by a Secretary of State appointed Grant Panel in a public meeting. The Grant Panel will review and score applications pursuant to criteria in the *Small Matching Grant Guidelines*, and recommend to the Secretary of State those applications that should be forwarded to the 2021 Legislature for funding consideration in State Fiscal Year 2022.

The Grant Panel's recommendation to the Secretary of State will not result in any immediate grant award. The award and level of funding for each Small Matching project will be subject to specific legislative appropriation.

RELEASE OF FUNDS

For projects receiving funding from the 2021 Legislature, funds will become available after July 1, 2021, which is the beginning of the 2021-2022 State Fiscal Year. To receive grant funds, grantees will be required to sign a Grant Award Agreement containing specific administrative responsibilities. Any unexpended balance of grant funds will revert to the state at the end of the 12-month period, on June 30, 2022.
