The meeting will be extended to Tuesday, September 29, 2020, if additional time is needed.

Review Format: This public meeting will be conducted via webinar. The staff of the Division of Historical Resources will present summaries of their technical review of each application. Florida Historical Commission members may direct questions to applicants during the webinar, and staff recommends that a representative be available on the webinar to represent their proposed project and answer any questions. No presentations may be given by applicants, due to time constraints. The applications will be reviewed by their application review number (numbered geographically, from Escambia County in Northwest Florida to Monroe County in Southwest Florida).
